

Guidelines for Submitting a Workshop for the Conference:

1. Workshops can address the Conference theme or another relevant topic in medicine, psychology or religion. All workshops must include Orthodox theology and/or praxis as a foundational component.
2. There may be one or more presenters for the workshop.
3. Workshops have a didactic component.
4. Workshops also have an interactive, experiential, or discussion component and are not simply a lecture with Q&A.
5. OCAMPR encourages panels, and preference is given to workshops by multiple presenters from different fields.
6. Workshop proposals include a brief abstract of the presentation
7. Workshop proposals include 2-3 learning objectives for the participants.
8. Workshop proposals include at least 5 sources in a bibliography or reference section with at least 2 from Orthodox sources.
9. The workshop is one hour total.
10. Workshops should be submitted by **May 31, 2023** on the google form (<https://forms.gle/TZceEz25bcMXvrh36>).
11. Workshops will be notified if their presentation is accepted, accepted with revision, or not accepted by **Jul 1, 2023**.

Workshop Presentation Logistics at the Conference:

1. All presentation rooms are equipped with a TV screen and projector for powerpoint presentations.
2. **All presenters must bring their own computers.**
3. Rooms are also equipped with HDMI cables to attach a PC to the projector and an adapter for Macs. It may be helpful to bring your own connectors.
4. If for some reason you cannot bring your own laptop, please contact us at ocamprconference@gmail.com at least 2 weeks prior to the conference. We will have a limited number of computers available and will need to plan accordingly. This might change your presentation location.
5. Please arrive at your presentation room 15 minutes early to get your powerpoint set up (if you have one) and ensure the tech is working properly. There will be an OCAMPR board member or volunteer to assist you.
6. All presentations will be audio recorded. Those in the plenary room may be video recorded.
7. Please email your slides to us within one week after the conference, so that we can post them with the audio recording. Slides can be sent to ocapmrconference@gmail.com.
8. The conference schedule will be posted online and emailed to all presenters within 1-2 months prior to the conference. If you have a specific scheduling need, please contact us by **Aug 1, 2023**.

****Note: After the conference, workshops can be written up as a scholarly article and submitted separately to the OCAMPR Journal. However, going a step further and submitting to the journal is purely optional. These articles must be submitted according to the journal guidelines and will undergo a separate blind peer review process. Thus, it is possible that a workshop that is accepted for a conference presentation may not necessarily be accepted for the OCAMPR Journal. Journal submission guidelines are forthcoming.***
